“PURE BOTANICALS. REAL NOURISHMENT.”

QUESTION 1: EXECUTIVE SUMMARY

1. DIGITAL BUSINESS IDEA

An Organic Hair Oil Brand for the Digital Generation

RozaNour Organics is a Pakistan-based, digital-first organic hair oil brand that provides natural and nourishing hair care solutions using plant-based ingredients.

The brand operates entirely online, selling through its website and social media platforms, and offers local delivery across Pakistan as well as international shipping to London (UK), Dubai (UAE), and other global markets.

2. DIGITAL BUSINESS NAME

RozaNour Organics

Meaning of the Name:

- **Roza** → Derived from *Rosemary*, the key herbal ingredient
- **Nour** → Nourishment, care, and healthy growth

The name reflects organic purity, deep nourishment, and botanical care, making it appealing to both local and international audiences.

3. MISSION

NATURE-POWERED CARE WITH A DIGITAL REACH

The mission of RozaNour Organics is to deliver 100% organic, chemical-free hair oil that improves scalp health and strengthens hair, while using digital platforms to reach customers globally in a sustainable and cost-effective manner.

4. NEED / PROBLEM

The Hair Care Gap in Today's Market

Consumers today face hair problems due to:

- Pollution, stress, and unhealthy routines
- Excessive use of chemical-based hair products
- Artificial fragrances and mineral oils
- Lack of trust in the authenticity of herbal hair oils

Additionally, international customers have limited access to trusted organic hair care brands from Pakistan, creating a market opportunity.

5. UNIQUE SOLUTION

A Balanced & Organic Botanical Blend

RozaNour Organics offers a slow-infused organic hair oil, made using ingredients that are naturally aligned and effective.

INGREDIENTS USED:

- **Rosemary Leaves (Infused):** Improves scalp circulation and supports natural hair growth
- **Cold-Pressed Sesame Oil (Base Oil):** Strengthens roots and protects the scalp
- **Sweet Almond Oil:** Provides Vitamin E and reduces hair breakage
- **Virgin Coconut Oil:** Deep nourishment and moisture retention

The product contains no mineral oil, no parabens, no artificial fragrance, and no preservatives.

6. RESOURCES

Key Inputs for Business Operations

PHYSICAL RESOURCES:

- Organic rosemary leaves
- Cold-pressed sesame, almond, and coconut oils
